

COREYS ARE SAID TO HAVE MADE UP

California Report of Recon-
ciliation Is Not Credited
at Pittsburg.

RIVERSIDE, Cal., March 16.—In-
duced by her husband's family, Mrs.
William Ellis Corey has consented to
a reconciliation with her husband, the
President of the Steel Trust. She starts
East to-day, accompanied by Mr.
Corey's mother and sister. Since she
left Pittsburg, eight weeks ago, she
has been in constant communication
with the relatives, and for a month
has been with the mother and sister.
The estrangement of the Coreys grew
out of the gallantries of Mr. Corey
toward Maybelle Gilman, the actress.
It has been reported that Mrs. Corey
had taken up a residence in Nevada
and later in South Dakota to secure
a divorce. She registered at the Cor-
onado Hotel, San Diego, last month
and was joined by her mother-in-law
and Miss Corey, and the party came to
Riverside.

Mrs. Corey refused to discuss the
affair, and her mother-in-law is guard-
ing her against all intrusions.

Pittsburg Discredits Report.
PITTSBURG, March 16.—Pittsburg
friends of the family of William Ellis
Corey know nothing of the reported
reconciliation. The report is discredited.
Persons friendly to Mr. Corey sug-
gested that the report of a reconcilia-
tion was circulated on account of the
near approach of the annual meeting
of the United States Steel Corporation
directors for any effect it might have
on Corey's chances of reelection.

**"WOMAN" IS AS
GOOD AS "LADY"**

Court Holds Former Title Suf-
ficiently Respectful for
Address in Court.

DERBY, Conn., March 16.—Judge
George H. Cowell, of the Waterbury
District Court, yesterday gave a judicial
opinion that "woman" is a term of re-
spectful address equal with "lady." A
suit for damages was on trial before
him, and Mrs. Isaac Winston had been
called as witness. Lawyer Charles G.
Root had objected to something in her
testimony and began to address the
Court thus:
"Your Honor, this woman is testifying
to—"
"If you please, sir," ejaculated Mrs.
Winston, springing to her feet and
glaring at Root. "I am a lady, just as
much as you are a gentleman, and I
must upon being called a lady."
Root attempted to explain, but only
added fuel to the flame. Judge Cowell
told Mrs. Winston that a woman was
as estimable and refined as a lady, but
she returned that it was the last time
she would come to court.

NEW-BORN CHILD FELL FROM TRAIN.

(Special to The Evening World.)
PHILADELPHIA, March 16.—A male
child, born to Mrs. Hanna Force, a
negress, of New Brunswick, N. J., on
an express train, yesterday, fell from
a car to the elevated structure of the
Pennsylvania Railroad, at Twenty-first
street. It lay in the snow fifteen min-
utes before being discovered by a trav-
eler, who sent it to the Hahnemann
Hospital.

The infant was in a dying condition
but prompt medical attention soon
restored it to a normal state. It was
surrendered to the care of its mother
in the maternity ward of the Univer-
sity Hospital.

Pardon Tillinghast!

TO GOV. FRANK W. HIGGINS:

I respectfully request that you pardon William H. Tillinghast, whose confession exposed the Metropolitan Street Railway Company's iniquitous methods of jury-fixing and who was sentenced to three months' imprisonment in Blackwell's Island penitentiary for impersonating a juror. I sign this petition understanding that Tillinghast stands ready to go before the Grand Jury and give testimony that will result in bringing to justice the criminals "higher up."

NAME.....
ADDRESS.....

Sign the above petition and send it to The Evening World or direct to Gov. Higgins at Albany.

Reasons why Tillinghast should be pardoned:
He had reformed and ceased his evil practices.
He is willing to testify against the criminals higher up.
His imprisonment stands as an object lesson—punishment for the crime of confession.
In the face of what happened to Tillinghast, who would now dare confess either knowledge or participation in jury-fixing?
Let Tillinghast be freed, and other smaller criminals may turn State's evidence against the greater criminals to serve the ends of justice.
